FORMALITIES

ENTRY VISA

Portugal is a member of the European Union and Schengen Agreement. EU nationals can enter Portugal with a valid passport or with a valid ID Card.

Detailed information regarding visas and formalities for entry into Portugal can be found on the Portuguese Ministry of Foreign Affairs website: <https://vistos.mne.gov.pt/en/>.

Those athletes/federations who need a specific invitation letter to apply for a Visa, must contact FPTAC - Federação Portuguesa de Tiro com Armas de Caça at least 40 days prior to the arrival, through email: gunpermit@fptac.pt.

The Portuguese Shooting Federation has no influence on the Embassies and will only be able to provide invitations for the period of this competition and eventual pre-event training.

No Visa will be granted upon arrival at the airport.

TEMPORARY GUN PERMIT / PORTUGAL

Each athlete is authorized to carry a maximum of 2 (two) shotguns and 1.200 cartridges in Portugal. However, those who travel by plane must check the quantity/weight allowed by the airlines.

EU citizens holding a European Firearms Pass can enter Portugal without an official import license from the Portuguese police.

Athletes that do not hold the European Firearm Pass must apply for a temporary gun import license, at least 30 days prior to the arrival, through the email: gunpermit@fptac.pt.

The following data will be necessary:

- Name and surname (as mentioned in the passport);
- Date of birth;
- Nationality;
- Exact dates of entry and exit from Portugal;
- Gun description: type (shotgun), model (ex. MX8), brand (ex. Perazzi), caliber, serial number, other details (extra canon, extra trigger mechanism, etc.)
- Email address.

Once granted, FPTAC will send to the applicant a copy of the gun permit license by email, which must be presented to customs when arriving in Portugal.

When leaving Portugal, it is mandatory to present these forms back to customs, at the border (coming by car), or at the airport (coming by plane).

For those traveling by car, all formalities take place at the Portuguese borders or at police stations upon arrival and exit Portuguese territory.
